Dear Ms. Sage:

Thank you for contacting me to share your opinion regarding the status of Watertown Tire Recycler, LLC. I appreciate the letters and petition that you have sent to my office.

I am sure that you have spent much of your time organizing and collecting the signatures for the petition, and I value your efforts. I can assure you that I will take into consideration the views that are supported in the petition while my staff and I work through this situation with the Department of Natural Resources.

Once again thank you for contacting me. Please feel free to contact me again if I can be of help with this or any other matter of concern to you. Best wishes to you and your family.

Sincerely,

A handwritten signature in cursive script that reads "Jim Doyle".
