Mr. Tom Springer
W7932 Provimi Road
Watertown, WI 53098

Dear Mr. Springer,

This letter is to confirm the conversation we had this afternoon regarding temporary storage of shredded tire material on the west side of your business.

I understand you had an equipment malfunction that resulted in accumulation of tire material on the west side of your building.

It is my recommendation that by April 30, 2005 you comply with the distance of no less than 50 feet between your buildings and the material as is described in my letter of November 2, 2004.

Sincerely,

Henry L. Butts
Fire Chief
