Dear Ms. Williams,

Thank you for your letter of May 31, 2005. I have referred it to Mr. Joe Heimsch who is in charge of fire inspection for the City of Watertown through the Building Safety and Zoning Department. He will be responding to your specific questions. I have forwarded a letter I wrote to Mr. Springer to your town chairman so that they may take whatever action that they deem appropriate. I have attached a copy of that letter to this email for your convenience.

Sincerely,

Henry L. Butts
Fire Chief
