Dear elected officials and agencies representing the Township of Shields, Watertown, Dodge County, and the offices of the Attorney General, the Governor of the State of Wisconsin, Dodge County Health Department and the Wisconsin Department of Natural Resources:

Disregarding concerns and recommendations by local government, fire department, DNR and neighbors, Watertown Tire Recycler LLC continued to develop a situation that led to a massive fire on July 19, 2005. We ask that you fully investigate and prosecute the matter and take any further steps within your power to ensure that Watertown Tire Recycler, LLC is not permitted to once again put at risk the health and safety of the Wisconsin residents and environment. We further request that Mr. Thomas Springer's transfer site license be revoked.

The following signatures represent individuals who support and agree with this cause. Please give due consideration to the position of these constituents. Your support and attention to this matter will be greatly appreciated by the concerned Wisconsin residents.
